Social Security works aggressively to prevent, detect, and prosecute fraud.

We are proud of the integrity and high quality with which we manage the disability program.

Social Security has a robust program to prevent disability fraud and we work aggressively with the Office of the Inspector General to identify and prosecute those who commit fraud.

To report fraud, waste and abuse, call our toll-free number, 1-800-269-0271 (TTY 1-866-501-2101).
